*The saving MONEY and ENERGY movement!*

## SAVE UP TO 50%

In gas consumption with the **Lang** On-Demand Burner System

The Lang **On-Demand Burner System** is designed for "weight of pan activation." The burner is activated only when a pan is in place. This feature dramatically reduces gas consumption, saving users hundreds or even thousands of dollars every year in energy costs.

View the video of our **On-Demand Burner System** in action at [www.langworld.com](http://www.langworld.com) and see how Lang saves customers **GREEN**.
