

This is what **SAVING** looks like.

*Join Our Movement.
The saving MONEY and ENERGY movement!*

SAVE 25% OR MORE
in energy consumption with **Lang[®] Wave** Induction Ranges!

Lang, the innovation company, has done it again by offering commercial *induction cook surfaces* to our line of electric oven bases. As a leader in convection oven technology, Lang offers all the benefits of convection ovens with a cooking surface that is 95% efficient! Lang induction surfaces can save you 25% or more in energy than a typical gas appliance.
