

CONFIGURING YOUR CLAMSHELL

STEP 1 - Select your griddle - gas or electric

STEP 2 - Add the frame required for Clamshell mounting

STEP 3 - Select the type and number of Clamshells needed

STEP 4 - Specify location of each clamshell on your Lang griddle

STEP 5 - Add up costs and weights to arrive at final specification

The addition of Clamshell hoods increases the weight of the final griddle system and may exceed the weight rating of many basic kitchen stands, including those sold by Star Manufacturing.

Clamshells cannot be installed on extra-deep griddles.

Clamshell options only available on Lang griddles.

Clamshells not available on new Lang 3xx/4xx Series Griddles.
