# FREIGHT INFORMATION

#### Prepaid Freight offer will ONLY apply if:

- 1. Freight ships from Lang warehouse (F.O.B. Smithville, Tennessee).
- 2. Lang chooses freight carrier.
- 3. Lang must pre-pay and add freight to invoice.

#### **Additional Charges**

Lift Gate Delivery = \$150 (lift gate fee effective November 1, 2021) All other requests, call for pricing.

#### **Freight Classification**

The bulk of Lang commercial equipment is rated 85.

Special configurations or non-standard crating may add to the classification.

Rate classifications are subject to change without notice.

\* LANG -\$25,000 PREPAID FREIGHT MINIMUM EFFECTIVE JANUARY 1, 2022

#### Freight Rates for orders under \$25,000:

All UPS Ground shipments on Lang account will be subjected to a shipping and handling fee. We encourage customers to ship on their UPS Ground account to avoid charges.

#### Freight Damage:

**DO NOT SIGN** for equipment until you have thoroughly inspected it for obvious or concealed freight damage. Once signed for, the customer takes full responsibility for the shipment.

# CONVECTION OVEN FEATURES GUIDE

Superior air flow within the oven chamber ensures even heat distribution and browning patterns

**RADIAL** two-speed/pulsing settings allow you to make adjustments to meet your baking needs.

# ENERGY STAR CERTIFIED

This certification ensures purchasers see increased energy efficiency through utility bill savings.

Certified ovens contribute to a clean environment by using less energy than conventional commercial foodservice equipment models

# **STRATO-SERIES CONVECTION OVENS**

# STRATO-SERIES GAS CONVECTION OVENS

- 150°-450°F temperature range Two-speed fan with pulse capability
- 10-position pan slides with (5) chrome plated wire racks provided, per oven

# **GRIDDLE BUYING GUIDE**

## Lang 200/100 Series Griddles

Plate thickness 1" Thermostat Electric Snap-Action

Plate depth 23" Solid State

30" extra-deep

Plate width 24-72" Options Chrome Plate, Grooved Plate,

BTU/foot (gas) 27,000 2-Sided Cooking Clamshells

kW/foot (elec) 6.0

Chose from plate depth

Chose from plate depth

nbedded Yes plate depth options: 20 EXTRA-DEEP

#### 1" THICK PLATES

Griddle plate thickness helps drive surface temperature, performance, and consistency. 1" thick griddle plates will retain more heat for faster recovery, and allow thermostat probes to be mounted deep within the griddle plate resulting in improved performance.

#### **PLATE DEPTH**

Deeper griddle plates offer more cooking area and usable space. Balance your specific needs with size constraints in the kitchen. Different depths available on select model families

#### **CHROME SURFACE**

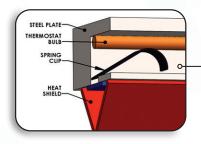

In addition to their exceptional mirror finish, chrome plates don't require seasoning with oil, clean up faster, reduce kitchen heat load, and nearly eliminate flavor transfer. 5 Year chrome surface warranty

# **GRIDDLE THERMOSTAT GUIDE**

#### **ELECTRIC SNAP-ACTION THERMOSTAT**

Electric powered controls cycle the burner completely ON-or-OFF as demanded by surface temperature changes. Temperature control ranges from 150-450°F for embedded probes with a surface temperature control  $\pm 15$ °F to set point

#### EMBEDDED THERMOSTAT

Embedded thermostat reacts more quickly to changes on the cooking surface providing better performance than probes on the bottom of the plate

# **CLAMSHELL 2-SIDED COOKING SOLUTIONS**

#### **OPTIONS** for LANG 200/100 SERIES GRIDDLES (23" PLATE DEPTH ONLY)

# CCSE12A\* CONTACT CLAMSHELL

The Contact Clamshell delivers high power cooking from both sides. This griddle innovation slashes cooking time with no flipping required! Ideal for burgers, chicken and other uniform thickness proteins

CCSE12A

\* CCSE12A clamshell not available on 60" & 72" wide griddle models

# CSE12AG / RADIANT CLAMSHELL

Powerful infrared elements activate when the hood is lowered to cook quickly. Excellent for proteins, and can rethermalize much like a cheesemelter! 3" clearance provides menu flexibility

CSE12AG

# CSG24 DATE CLAMSHELL

24" wide gas infrared elements activate when the hood is lowered, this adds a broiled flavor profile. Exceptional for high-volume protein cooking. 3-in clearance for irregular-shaped products

CSG24

#### **CONFIGURING YOUR CLAMSHELL**

Step 1 Select your griddle - gas or electric

Step 2 Add the frame required for clamshell mounting

Step 3 Select the type and number of clamshells needed

Step 4 Specify location of each clamshell on your griddle

Step 5 Add up costs & weights to arrive at final specification

The addition of Clamshell hoods increases the weight of the final griddle system and may exceed the weight rating of many basic kitchen stands, including those sold by Star

Clamshells cannot be installed on extra-deep griddles Clamshells only available on Lang 100 & 200 series griddles

# **BUILT-IN/DROP-IN GRIDDLES**

## 100 SERIES DROP-IN ELECTRIC GRIDDLES

# 100 SERIES BUILT-IN/DROP-IN ELECTRIC GRIDDLES

- 26.8" deep built-in/drop-in griddle plate
- Full-Parameter stainless steel top mounting flange
- · Heating elements (incoloy sheathed) for long life
- Elements are pressure clamped to bottom of griddle plate for more even heating
- Recessed control panel protects controls
- Accurate temperature control between 175-450°F

# RANGE BASE OPTIONS: CONVECTION OVEN OR STANDARD OVEN

Lang Ranges come with a convection or standard oven base, all have a one-piece heavy-duty 430 Series stainless steel exterior, and are insulated on six sides. The Range top options, configurations, and 30", 36", 60"sizes ensure the right solution to meet your range cooking needs is available.

# RANGE BUYING GUIDE

# **RANGE TOP OPTIONS**

#### select

#### INDUCTION

The induction range top is the definition of efficiency and safety. 8" diameter 2.6kW quality induction burners beneath a durable 6mm tempered glass top provide up to 95% cooking efficiency and instant heat to induction pots and pans

#### FRENCH TOP

The French top features independently controlled, durable high power 2.6kW elements inside a sealed 8" diameter casing

#### HOT TOP

Hot top features 12" wide x 24" deep x 3/4" thick cast iron hot plate grates with a milled surface. Heavy duty plates are each controlled by one 850°F range thermostat

#### **GRIDDLE TOP**

Griddle plates may be 1/2" or 1" thick, depending on model, and range in size between 24" and 60" wide. Griddles have a 4" splash and are controlled by one 450°F thermostat every 12'

# **OVEN BASE OPTIONS**

#### select

### STANDARD OVEN BASE

- Oven control features one thermostat with independent top and bottom heat controls
- 150-550°F oven thermostat
- One heavy-duty chrome plated wire rack per oven

#### or

#### **CONVECTION OVEN BASE**

- Solid state oven temperature control [per burner] accurate to +/- 4°F
- 150-450°F oven operating temperature range (30" ovens)
- Five chrome plated oven racks provided
- Nine position oven rack slide supports 36" ovens
- 3 chrome plated oven racks provided
- Six position oven rack slide supports
- Base accommodates six (6) full size pans

Marine & Cruise Line Convection Ovens

**Marine Deck Ovens** 

**Cruise-Line Broilers** 

**Cruise-Line Salamanders** 

Lang has a long and distinguished reputation for equipping world-class U.S.A. manufactured galley equipment

Lang Marine equipment exteriors built with 430 stainless steel to minimize corrosion from salt-air exposure

Cruise-Line equipment exteriors built with 304 stainless steel and meet USPH standards

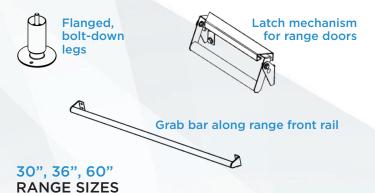

# MARINE RANGES

USCG approved Lang Marine Ranges are built from 430-grade stainless steel and come with these standard features:

A MADE IN THE

Sea Rail assembly for top cooking surfaces

NOTE: Range top and oven base ship SEPERATELY for hatchable installation and field assembly

## 2021 MAP/M.R.I.C.P. POLICY

# APW/Bakers Pride/Star Holdings Group (Holman, Lang, MagiKitch'n, Star, Toastmaster & Wells)

Minimum Advertised Price & Minimum Resale Internet Cart

#### **MINIMUM ADVERTISED PRICE (MAP) POLICY**

#### This Policy applies to all means of Advertised Pricing for all Middleby Commercial Foodservice Brands

The APW/Bakers Pride/Star Holdings Group (hereinafter "the Group") and the Middleby Corporation (hereinafter "the Corporation") is committed to supporting our Authorized Dealers and Resellers selling the Group's products in or into the United States & Canada by continuing to provide high-quality, premium products for the foodservice industry while maintaining its brand equity and integrity. This Minimum Advertised Price Policy ("MAP") applies to ANY and ALL means of Advertised Pricing, to Any and ALL customers, for all Brands within the Group and the Corporation. Advertising at a price below MAP will be considered a violation of this Policy. This MAP Policy will apply to any activity which the Group or the Corporation determines, in their sole and absolute discretion, is designed or intended to circumvent the intent of this MAP Policy.

- MAP Policy pricing is the Current List Price less 45% for all Group products; and advertised at a price no less than rounded down to the nearest whole number off the Current List Price.
- If a Dealer offers or combines (i.e., "bundling") one or more products from a single or multiple brands of the Group or the Corporation in an advertisement, the aggregate price for all products by the Group and Corporation offered for sale in combination may not be lower than the cumulative MAP for each of the products when sold separately.
- At the Dealer's sole expense, the Dealer may offer or combine the following items of casters, warranty or freight into their product's sell price; not to be below the product's MAP price.

The MAP Policy applies to any advertisements of the Group's products and designs in any and all media, including but not limited to, print advertising (e.g. magazines, catalogs, newspapers, posters, flyers and direct mail), e-mail and facsimile advertising (e.g. broadcast campaigns, flyers, coupons and similar inserts), internet or similar electronic media (e.g. Amazon, eBay, Google), Dealer websites, internet banner ads, social media blasts, social networks, search engine advertising and all other types of digital signage.

All internet advertised prices must show the product's "MAP" price or higher. Any communications stating or implying that a price below MAP may be found elsewhere on the site, that is initiated by the Dealer, would constitute advertising and would be deemed a violation of this MAP Policy. Dealers may not make any statements, displays, or communications that indicate, state, imply, or suggest that a lower price may be found at the online check out, including but not limited to: "Call for Pricing", "Chat for Pricing", "Text for Pricing", "Click for Pricing", "Email for Pricing", "Add to Cart for Pricing", "Mouse Over for Pricing", "Log In for Pricing", strike-through the price, or any of the like. This includes "shopping cart price", "chat box price" and "emailed price" that appear on the internet in any format on any Dealer's public internet website or public internet-based account, including internet search engine shopping feeds, are all subject to the Group and the Corporate MAP Policy. Website features such as automated "bounce-back" pricing emails, pre-formatted email responses, forms, automatic price display, loyalty and reward point systems and other similar features are considered "advertising" under this MAP Policy. Under this MAP Policy, the Group and the Corporation prohibit the use of split-screen, side-by-side advertising, or pop-ups to advertise a similar product of any other brand other than those that are manufactured by other brands within the Corporation. The Group and the Corporation prohibit any Dealer from redirecting (automatically, inadvertently or otherwise) a customer who is in search of a product of the Group, the Corporation or item number to any other non-Middleby brand.

No Dealer may advertise a product of the Group or the Corporation at a price in violation of this MAP Policy on any third-party platform such as Amazon, eBay, Google or any like platforms in which it may operate as a vendor or have a re-distributor operate on its behalf. No Dealer may advertise a price in violation of this MAP Policy in an effort to match or beat a competitor's price. It is a violation of the MAP Policy to advertise a price below MAP pricing, even if such advertised price was automatically or manually generated due to a MAP Policy violation by a vendor or competition another medium or platform.

From time to time, the Group or the Corporation may discontinue certain products or engage in promotions with respect to certain products. In such events, the Group and the Corporation reserve the right to modify or suspend the MAP Policy with respect to the affected products at its sole discretion. Such changes shall apply equally to all Authorized Dealers of the Group and the Corporation.

#### **MINIMUM RESALE INTERNET CART PRICE (MRICP)** POLICY

The Minimum Resale Internet Cart Price ("MRICP") applies to the final internet check out prices regardless of providing a customer "log in", membership or similar (e.g., shopping cart prices, chat box prices, emailed prices, and prices on the internet website or search engines) of the Group's or the Corporation's products. The Group requires that when Dealers sell select products (listed below) through internet sales that these products are subject to MRICP and are sold at a price no more than a 52% discount rounded down to the nearest whole number off the current List Price. This MRICP Policy will apply to any activity which the Group or the Corporation determines, in their sole and absolute discretion, is designed or intended to circumvent the intent of this MRICP Policy.

MAP/M.R.I.C.P. policy continued on next page

# 2021 MAP/M.R.I.C.P. POLICY

#### MAP/M.R.I.C.P. policy continued from previous page

The MAP Policy and MRICP Policy apply only to advertised prices and do not apply to the price at which the products are actually sold or offered for sale to an individual customer at a Dealer's place of business, including contract negotiations, or negotiations in the field. The decision to implement and enforce the MAP Policy and the MRICP Policy is solely to protect the Group's and the Corporation's brands, reputation and competitiveness and the Authorized Dealers who promote and sell their products based on quantitative and qualitative factors.

The MRICP policy applies to the following Group Brands and Brand product segments

Brands in their Entirety
Bakers Pride
Lang

MagiKitch'n

Star Categories
Holman conveyor toasters
(All Labeled Products)
Pro-Max Panini's
(PST, PGT, PSC, PGC-Series Products)
Star (RTW-Series Products)
Star-Max (500 & 600-Series Products)
Ultra-Max (All Labeled Products)

Wells Categories
Drawer Warmers
Heated & Refrigerated Wells
(HT, H/RCP-Series)
Dry Wells (MDW models)
All Ventless Products

#### **POLICY VIOLATIONS**

These MAP and MRICP Policies are not intended as, nor are they to be construed as, an attempt by the Group or the Corporation to set advertised or resale prices or an agreement between the Group, the Corporation and any Authorized Dealer or other party. In addition, the Group and the Corporation will not accept any assurances of compliance with these MAP or MRICP Policies from any Authorized Dealer. Each Authorized Dealer must independently choose whether to comply with the terms of these MAP and MRICP Policies. These MAP and MRICP Policies are not negotiable and will not be altered for any individual Authorized Dealer.

The Group, the Corporation or their agent(s) will conduct a reasonable investigation in response to a suspected MAP and MRICP Policy violation. Failure to cooperate by any Authorized Dealer, including retaliatory actions by any Authorized Dealer with the Group's or the Corporation's investigation will be considered an additional violation.

Failure to meet the terms and conditions of the MAP and MRICP Policies will result in full, unconditional enforcement of the penalties described below. The event of a violation will be determined solely by the Group or the Corporation.

#### Dealer will be subject to penalties (over a 12-month period) up to and including but not limited to:

- 1st violation: The Group or the Corporation at a minimum will issue an email communication to the non-compliant dealer requesting their compliance to the MAP and MRICP Policies. Failure to comply within 48 hours (2 days) or a repeated offense within a 3-month period will be considered a 2nd violation.
- 2<sup>nd</sup> violation: The Group or the Corporation at a minimum will issue an email notification to the non-compliant dealer requesting their compliance to the MAP and MRICP Policies and will hold all Group shipments and/or the Corporation, until all violations are resolved. Failure to comply within 48 hours (2 days) or a repeated offense within a 6-month period will be considered a 3rd violation.
- 3'd violation and each violation thereafter: The Group or the Corporation at a minimum will issue an email notification to the non-compliant dealer and buying group as applicable requiring their compliance to the MAP and MRICP Policies and will result in (a) the dealer's net pricing being increased to a price that is 50% off of the Group's then current published List Price(s) and net pricing increased to standard market discounts off ALL Middleby Corporation Brands published List Prices and (b) any and ALL available rebates, marketing incentives, or program dollars (accrued or due in total) will be forfeited. Failure to comply within 48 hours (2 days) or a repeated offense within a 12-month period, the Group or the Corporation at a minimum will issue an email notification to the non-compliant Dealer and buying group as applicable informing them of the a) indefinite suspension of their account with the Group and ALL Middleby Corporation Brands and b) permission to use the Group's and the Corporation's brand trademarks, trade names, individual brand and corporate logos, product images and product content will be indefinitely revoked. Reinstatement of the account, preferred pricing and applicable incentives or rebates may be re-evaluated by the Group and the Corporation in their sole discretion after 30 days.

#### **DEALER ACCOUNTABILITY**

In the case of a MAP or MRICP violation by a reseller who does not have an authorized relationship with the Group's or the Corporation's brands and instead purchases the Group's or the Corporation's products from an Authorized Dealer or any other reseller (i.e., dealer-to-dealer sale), the Group and the Corporation will pursue enforcement actions against the Authorized Dealer as provided above in these Policies.

#### **OTHER PROVISIONS**

These Policies are managed by the MAP/MRICP Policy Administrator(s) for the Group and the Corporation. Only the MAP/MRICP Policy Administrator(s), Group President and Group Vice President of Sales and Marketing may provide direction to Dealers concerning compliance with the MAP and MRICP Policies. And ONLY the Group Vice President of Sales and Marketing and Group President may authorize exceptions to the Policies. No other individuals, including any employee or representative of the Group or the Corporation, may provide such direction or authorizations regarding the Group's Policies to any Dealer. It is the Dealer's sole responsibility to remain aware of any changes to the MAP and MRICP Policies.

The terms of the MAP and MRICP Policies are confidential and are not to be disclosed to other parties. The Group and the Corporation have adopted the MAP and MRICP Policies unilaterally in furtherance of its independent business strategy and reserves, at its sole discretion, the right to change the Policies and to interpret, enforce and otherwise handle all questions and issues related to the Policies.

#### WARRANTY

#### LIMITED EQUIPMENT WARRANTY

Lang Manufacturing warrants to the original purchaser of new Lang products to be free from defects in material or workmanship, under normal and proper use and maintenance service as specified by Lang and upon proper installation and start-up in accordance with the instructions supplied with each Lang unit. Lang's obligation under this warranty is limited to a period of one [1] year from the date of original installation, or eighteen [18] months from original invoice date, whichever occurs first. Defects that occur as a result of normal use, within the time period and limitations defined in this warranty, will at Lang' discretion have the parts replaced or repaired by Lang or a Lang-authorized service agency.

#### THIS WARRANTY IS SUBJECT TO ALL LISTED CONDITIONS

Repairs performed under this warranty are to be performed by a Lang authorized service agency. Lang will not be responsible for charges incurred or service performed by non-authorized repair agencies. In all cases, the nearest Lang-authorized service agency must be used. Lang will be responsible for normal labor charges incurred in the repair or replacement of a warrantied product within 50 miles (80.5 km) of an authorized service agency. Time and expense charges for anything beyond that distance will be the responsibility of the owner. All labor will need to be performed during regular service hours. Any overtime premium will be charged to the owner. For all shipments outside the U.S.A. and Canada, please see the International Warranty for specific details. It is the responsibility of the owner to inspect and report any shipping damage claims, hidden or otherwise, promptly following delivery. No mileage or travel charges will be honored on any equipment that is deemed portable. In general, equipment with a cord and plug weighing less than 50 lb. (22.7 kg) is considered portable and should be taken or shipped to the closest authorized service agency, transportation prepaid.

#### CONTACT

Should you require any assistance regarding the operation or maintenance of any Lang Manufacturing; phone or email our service department. In all correspondence provide the model number and serial number of the unit needing service; include the voltage or gas type.

#### WARRANTY EXCLUSIONS

#### THE FOLLOWING WILL NOT BE COVERED UNDER WARRANTY.

Lang's sole obligation under this warranty is limited to either repair or replacement parts, subject to the additional limitations detailed below. This warranty neither assumes nor authorizes any person to assume obligations other than those expressly covered by this warranty.

- Any product which has not been used, maintained, or installed in accordance with the directions published in the appropriate installation sheet and/or owner's manual, including incorrect gas or electrical connection. Lang is not liable for any unit which has been mishandled, abused, misapplied, subjected to harsh chemicals, modified by unauthorized personnel, damaged by flood, fire, or other acts of nature [or God], or which have an altered or missing serial number.
- Installation, labor, and job checkouts, calibration of heat controls, air and gas burner/bypass/pilot adjustments, gas or electrical system checks, voltage and phase conversions, cleaning of equipment, or seasoning of griddle surface.
- Replacement of fuses or resetting of circuit breakers, safety controls, or reset buttons.
- Replacement of broken or damaged glass components, quartz heating elements, and light bulbs.
- Labor charges for all removable and consumable parts in gas charbroilers and hotplates, including but not limited to burners, grates, and radiants.
- Any labor charges incurred by delays, waiting time, or operating restrictions that hinder a service technician's ability to perform service.
- Replacement of parts that fail or are damaged due to normal wear
  or labor for replacement of parts that can be replaced during a daily
  cleaning routine, such as but not limited to silicone belts, PTFE nonstick sheets, control labels, knobs, bulbs, fuses, quartz heating
  elements, baskets, racks, and grease drawers.
- Any economic loss of business or profits.
- Non-OEM parts. Use of non-OEM parts without Lang's approval will void the warranty.
- Components that should be replaced when damaged or worn, but have been field-repaired instead [e.g. field-welded fry pots]
- Units exceeding one [1] year from original installation date, or more than eighteen [18] months from original invoice date, whichever comes first.

#### ADDITIONAL WARRANTIES

• Specific/chain-specific equipment may have additional and/or extended warranties.

The foregoing warranty is in lieu of any, and all other warranties expressed or implied and constitutes the entire warranty.

#### INTERNATIONAL WARRANTY

# ORIGINAL EQUIPMENT WARRANTY INTERNATIONAL

(Except U.S. and Canada)

STAR, APW WYOTT, BAKERS PRIDE, LANG, MAGIKITCH'N, TOASTMASTER, WELLS products are warranted to each original Buyer and will be free from defects in material and workmanship for the period specified below, under normal and proper use and maintenance service as specified by "STAR, APW WYOTT, BAKERS PRIDE, LANG, MAGIKITCH'N, TOASTMASTER, WELLS" and upon proper installation and start-up in accordance with the instructions supplied with each. Obligation under this warranty shall be limited to repairing or replacing, at its option, any part found to be defective within the specified warranty period.

# STANDARD PRODUCT WARRANTY PERIOD One (1) Year Limited Parts only

The warranty period begins upon the earlier of the date between proof of installation or 90 days after Invoice date or 90 days after shipping date.

No other Warranty terms are valid unless agreed and authorized by STAR, APW WYOTT, BAKERS PRIDE, LANG, MAGIKITCH'N, TOASTMASTER, WELLS

Any labor expense or part failure incurred after the warranty period will be the responsibility of the end user.

#### INFORMATION

FOR AUTHORIZED DEALERS - TERMS are net 30, with approved credit.

Products are shipped FOB Smithville, Tennessee.

**RETURNS -** Prior authorization must be received in order to return merchandise. Credit will be issued for returned product less restock. Returns are subject to a 35% restocking charge. All authorized returns will be paid by credit memo. Refurbishing, if necessary, will be an additional charge and will be deducted from any credit that may be allowed. Items not stocked, specially configured or built to order do not qualify for return. Any specials that are authorized for return, may be subject for a fee beyond the standard restocking fee. Returns must be received at the assigned return address within thirty (30) days from authorization date. Star-Holman-Toastmaster reserves the right to refuse or charge a 45% restocking fee on equipment returned without prior authorization.

\*Custom options are non-refundable, non returnable items.

**TITLE** passes to the consignee when merchandise is accepted by the carrier, and thereafter travels at the risk of the purchaser. FOB Factory.

**SUBSTITUTIONS** in material or design will be made as needed, and may be done without notification when necessary.

**PLEASE SPECIFY** (a) finish, (b) type of gas, (c) BTU content, (d) altitude (where applicable), or (e) voltage, (f) phase and (g) cycle when ordering.

**PRICES** Please contact the factory or one of its export agents for quotations on merchandise to be shipped into other areas. All prices are in U.S. dollars. All prices are subject to change without prior notice.

**START UP** This is the initial uncrating and set up of the equipment which is not covered under the Star warranty. This will include piping, electrical and gas connections. This also includes the first "turn on and check" of any gas or electric equipment.
